☆ Server: PHP, Perl, RDBMS, NOSQL, Frameworks

☆ Client: HTML5, CSS with Javascript and jQuery

☆ 15 Years Web Development Experience and LAMP/SAMP

Skills

PHP Web development (Symfony2, Cake, Wordpress, Drupal) | Facebook Integration | Git, Subversion | DB Design and Optimization (MySQL, Oracle, MongoDB) | Web Servers (Apache, Varnish) | Linux (Red Hat Enterprise, CentOS, Ubuntu) | Linux Networking and VPN | HTML5 and CSS | jQuery, jQuery Mobile

HarperCollins Publisher
Senior Web Developer

May 2010 - Present

I am a senior PHP developer for HarperCollins ETG (Emerging Technologies Group). Past projects include BourdainMediumRaw.com (Cake), Photocontest.FancyNancy.com, (Cake) and Inkpop.com (Drupal). Currently, I am developing an internal book and eBook discovery portal "TitleKey" which provides access to eBooks for HarperCollins employees (Symfony 2).

Random House Incorporated
Senior Program Analyst, Web Development

November 1997 - May 2010 I was the lead programmer for Random House's corporate web site (RandomHouse.com) and other sites, and I share responsible for system administration and internal projects. Development in PHP, (Wordpress MU) Perl, JavaScript and database design in Informix, Oracle, and MySQL with Memcached. I implemented the current RandomHouse.com web design in table-free CSS/HTML. I also had a hand in System Administration and monitoring with AWStats and Munin.

Digital Exchange (DX.com)
Web Developer / System Administrator / Digital Pre-Press Specialist

March 1993 to November 1997

I Started at D/X as a Pre-press Specialiast but I transitioned to web developement in 1996. Early work included a number of small web sites (**ilford.com**, **dx.com**).

Sam Flax Computer Services
Computer Technician / Digital Pre-Press Specialist

March 1992 - March 1993

My responsibilities included maintaining a small network of Macintosh computers, assisting users, and outputing files printers which were at the time considered novel. In addition, I maintained a First Class bulletin board by which customers could submit files electronically.

Computer Era Corporation
Computer Technician

November 1992 - March 1992

Computer Era was a well known Apple dealer located on Park Avenue. At various times I worked in both their build / repair department and their telephone technical support groups.

Eastern Computer Graphics
Computer Technician

January 1991 - November 1992

Eastern Computer Graphics was a small Apple dealer with a specialty in scanners and film recorders. I repaired and installed Macintosh computers and peripherals.
